

Sara Bareilles Fan Music Video #3

Hello everyone!

It's time to get started for our **3rd fan music video** ! Our two first videos (King of Anything and Gonna Get Over You) were a major success with Sara personally thanking us with a tweet !

After a poll, it has been first decided that we would do « Sara Bareilles Through The Years ». Kara, Haley and I worked on a mix of songs, as some of you know. However, I have decided not to do that. Unfortunately, it is going to be too complicated to do a 10 minutes video. But I will keep the idea in mind and maybe we will do it afterwards, we'll see.

So, the song chosen is **Beautiful Girl**.

Studio version we will use : <http://soundcloud.com/clementg/sara-bareilles-beautiful-girl/s-EQFbR>

General Idea

To understand how this thing works, please watch our first fan video of « King of Anything » :

<http://www.youtube.com/watch?v=Fb8SANU8p9E>

And our second video of « Gonna Get Over You » :

<http://www.youtube.com/watch?v=wTrBw5OJ1gc>

Concept :

The video will be « split » into two parts.

- Beginning of the video :
 - Holding up signs, with your face or not. Confessing our insecurities, fears, lack of self-esteem...
 - Emotionless or sad expressions
 - Mostly indoors
 - End of the video
 - Smiling
 - Dancing
 - Singing
 - Laughing
 - Signs // example : « I am beautiful »
 - Mostly outdoors
- ➔ Text on signs has to be short

You can also send videos of you lip-syncing to the song.

We will also need a 1 second or so clip saying "i am beautiful" or maybe "you/she are/is beautiful" (for the guys?). and then those can all be included in the end credits (video or just audio, we'll see).

If you have other brilliant ideas, feel free to do them ! ☺

You can really submit whatever you want, but in working with so many people, we do need to set some simple rules we can be as efficient as possible.

1. Please nothing inappropriate. I'm pretty sure SB fans wouldn't do anything like that, but it's worth saying anyways.

2. If you want to show up in the video often enough, please try to submit at least 1 minute worth of footage.

3. PLEASE READ WHEN SUBMITTING YOUR VIDEOS

a. Please save your videos with your SBF screen name (so that we can identify and contact you) and your location in the world (this is optional for privacy issues)

-> All of this information is mostly so that we can put you in the credits at the end of the video.

b. If you are submitting more than one clip, please save your videos with a letter (a, b, c, etc) at the end so the editor can easily differentiate

("[ScreenName]_[State/Province]_[Country]_[Video]")

Ex. "Carrie_Tulsa_Oklahoma_US_VideoA"

Ex. "Carrie_Tulsa_Oklahoma_US_VideoB"

Ex. "Carrie_Tulsa_Oklahoma_US_VideoC"

c. Then go to **dropbox.com** and login :
